SPECIAL NOTICE.

TERMS AND CONDITIONS.

All shipments are made at "Owners Risk," unless otherwise instructed, therefore, at the risk of the purchaser in transportation.

After delivering to the Transportation Company our responsibility ceases, and the glass becomes the property of the purchaser.

Plate glass varies in thickness, and will be furnished without selection as to thickness. The price list applies for ordinary glazing quality, and when special thicknesses or qualities are specified, special prices will be charged.

Odd and fractional parts of inches are charged at the price of the next highest even inch, thus: $31 \times 120\frac{1}{2}$ " will be charged as 32×122 ".

Irregular sized glass, or glass cut to pattern, will be charged as it squares.

Glass exceeding the sizes comprised in the tables will be furnished at special prices.

For all sizes not in this list special prices will be furnished upon application.

A charge of 10 per cent. will be made for all glass returned to stock after being cut to sizes ordered.

On all orders amounting to less than \$200.00 net, or for less than 3 lights of whatever value, boxing will be charged at the rate of 20 cents a SUPERFICIAL FOOT, lid measurement. Said lid measurement to be 6 inches longer each way than largest glass in said case.

Sizes not exceeding 10" wide and over 120" long are figured by taking one-half the price of double the width.

Sizes not exceeding 38" wide and over 170" long are figured by taking one-half the price of double the width.

TO APPROXIMATE WEIGHT OF POLISHED PLATE GLASS BOXED.

Extend the glass at $3\frac{1}{2}$ lbs. per square foot. Weight of box equals the contents of a plate of greatest width and length of those packed therein, multiplied by 10. Thus:

1 plate, $36'' \times 96''$ } = 59 ft. $\times 3\frac{1}{2}$ = $206\frac{1}{2}$ lbs.
 " $60'' \times 84''$ }

Size of box $60'' \times 96'' = 40$ ft. $\times 10 = 400$

606 $\frac{1}{2}$ lbs.

CAUTION. Polished plate glass should never be allowed to remain in packing cases longer than necessary, as dampness may stain the surface.

TERMS OF PAYMENT.

Payments are to be made in funds current in the Seller's City, within 30 days, or 1% discount for payment within 10 days from date of invoice.

AUTOMOBILE SIZES.

Automobile Sizes of Polished Plate Glass are not to be figured from this List. Use current Special Automobile Size List provided for that purpose.

Prices for Small Plates and Strips of Thick Polished Plate Glass.
